

Just For Juniors!

Want to make your own movie and bring your ideas to life?

Join our 3-day animation workshop with Hans On Workshops

Only 14 places available!

- **Create a stop motion animation film**
- **See it premiered at the end of workshop screening**
- **Receive a copy of your movie on DVD to share with friends and family**

What is stop-motion animation? Think Wallace and Gromit, Corroline and Pingu!

Over the 3 days, we will create weird and wonderful plasticine worlds and experience all areas of film making:

- ✓ **Set Design**
- ✓ **Model Making**
- ✓ **Filming**
- ✓ **Special Effects**
- ✓ **Editing**
- ✓ **Sound Effects & Music**

We will design and make small plasticine creatures and characters and bring them to life through stop motion animation. We will make miniature props and sets and explore a variety of different filming techniques to create magical and exciting scenes. We will add special effects, sound effects and voices, then create titles, credits and soundtracks to complete the movie!

Where: **Stanford Junior School** Date: **Wednesday 17th – Friday 19th February**

Time: **10.30am – 3.30pm** Cost: **£75**

Bookings will be accepted on a first come, first served basis. To book you need to email clair@classoftheirrown.com with your child's name (this workshop cannot be booked online). Your payment must reach us by Wednesday 3rd February. Please note additional hours can be booked at the beginning or end of the day at £2.75 per hour to make up a usual Holiday Club session.
